Progression routes other than university:

24 students have a progression route for 2024-2025 as follows (this includes the 2 deferred entry university applicants):

- 12 students have or are seeking jobs (these may be in roles they had previously during sixth form until they decide on alternative plans/positions)
- 7 students have apprenticeships, including 1 degree apprenticeship

- 5 students are working or volunteering as part of a gap year before applying/re-applying/going to university

Summary:

72 students (75%) gained a university place for 2024 entry and 24 students (25%) have an alternative progression route for 2024-2025 (this latter statistic includes the 2 deferred entry students who will go to university in 2025 and are on a gap year this year).

Our students continue to be extremely successful in achieving their desired progression route.
