

Ben Love

I joined SHS in September 2018 as Assistant Headteacher. Prior to this I taught for 16 years at Spalding Grammar School, during which time I held various positions of responsibility at pastoral, departmental and senior leadership level, most recently Head of Law and Director of Sixth Form Studies. My current responsibilities include the development of teaching and learning, the performance appraisal process, CPD and training days, NQTs and ITT, oversight of cover and main school pastoral oversight. I am also an associate member of the governing body.
