

Caroline Cunnington

A community governor at SHS since 2002, I am a solicitor and partner in Chattertons, solicitors, based at our Spalding office. I specialise in making wills and powers of attorney, the administration of estates, trusts and tax-planning and advising the elderly on their affairs. I am an "old girl" of the school and enjoy giving something back to the school where I spent many happy years. I live in Spalding with my husband and young son.
