Headmistress Mrs M Anderson, B.Ed

2nd May 2019

Dear Parents, Carers, Students and Staff

It was a great pleasure for the High School to receive a congratulatory letter from the Rt Hon Minister of State for School Standards, Nick Gibbs MP.

The letter recognises and congratulates Spalding High School for the excellent Progress 8 achievements of our students which placed us in the top 9% of mainstream schools nationally.

Furthermore, the letter congratulates the High School for being placed within the top 2% of mainstream schools nationally for our EBacc entry of 94%.

It is both humbling and nice to receive letters such as this. Our students consistently perform very well and we are very proud of them all. They have demonstrated high academic achievement over a number of years now.

What is less easy to demonstrate is the level of charm, courtesy and determination we see in our students everyday. All this is the result of hard work from them, their families and all those who make this School such an excellent one. I have repeatedly said that it is a great joy and privilege to serve on the Governing Body, but I could go on to say that many talented people have worked together to bring about this result. All of them deserve our sincere gratitude and congratulations.

Yours sincerely

Dr P Gorton
Chair of Governors
