- Introduction
- 2<sup>nd</sup> April – 6<sup>th</sup> April 2020 – 5 days and 4 nights
- GCSE and A Level students
- Cost between £875 and £900

# NORWAY FACTFILE

Norway is part of Scandinavia which is located in Northern Europe.

Norway is a fjord country, with the highest concentration of fjords in the world.

Currency: Norwegian krone

Flight duration: 2 hours

Time zone: UTC + 01.00

Average temperature : about 9°C

Average daily sunshine hours: 5 hours

A fjord is formed when a glacier retreats leaving a long narrow inlet of the sea between cliffs.

# Flying With Norwegian airlines

# NORWAY ACCOMMODATION

You will be staying at Hardangertun Holiday Park which is located around the Hardangerfjord, the fourth longest fjord in the world, and the second longest fjord in Norway.

# NORWAY ACCOMMODATION

## HARDANGERTON ETHOS

Hardangerton Holiday Park encourages students to not only embark on adventurous team work activities but also take initiative and responsibility for some of their meals.

Food provisions will be collected from the on-site store and students will work together to make their breakfasts and packed lunches for the day. Evening meals are prepared by the holiday park and served in the dining room.

Visit Steindalsfossen, one of Norway's most famous sights, and the most visited waterfall
