

Spalding High School Sixth Form

Entry 2019

Spalding High School Sixth Form

This leaflet provides prospective sixth form students with an idea of the courses available in the sixth form at Spalding High School from September 2019.

We are an academic grammar school offering A Level courses (or equivalents) in a wide variety of subjects.

Entry requirements

Students must achieve at least a Grade 4 in GCSE English Language or English Literature **and** Mathematics in addition to 4 further GCSEs at grades 9-4.

Students must also achieve at least a Grade 6 in the subjects they wish to study at A Level (in the case of new subjects a Grade 5 in English Language or Literature will be required).

Additional entry requirements

See the sixth form prospectus (available November 2018) for **full details**; some subjects such as Mathematics, Further Mathematics and Sciences have higher entry requirements.

'Choosing to study your A levels at Spalding High will be the first big step towards determining your future. With careers advice, the opportunity for work experience placements and talks from outside speakers, you will be able to develop an understanding of the 'real world,' alongside gaining superb academic support. The sense of community provides you with the perfect environment for maximum achievement and happiness.'

'After a year at Spalding High School, I can look back with joy. After joining as an external student, I felt nervous in my new environment, however, I was made extremely welcome by both students and staff and have formed many new friendships. I have also been involved in many school events, which I have enjoyed and have been glad to be a part of.'

'Spalding High School has enabled me to gain essential skills and become a confident and motivated individual. I am incredibly grateful for the opportunities that have been offered to me throughout my time here, and I would recommend the sixth form to any potential student.'

'My favourite thing about the Sixth Form here at Spalding High is the independence we are given. Having non-contact periods and library studies allows me to take time to focus on getting my work done in a suitable environment. It is also great that despite the freedom we are offered, there are always members of staff willing to offer support whenever it is needed.'

Spalding High School Curriculum

Students who join our Sixth Form in Year 12 can choose to study the following:

- Three A Levels (*or equivalent) *or*
- Three A Levels and Core Mathematics *or*
- Four A Levels in agreement with the Sixth Form Team (university courses only require three A Levels)

We offer the following subjects at A Level (*or equivalent):

Art & Design : Fine Art	English Literature	Music
Biology	Food Science & Nutrition*	Photography
Business	French	Physical Education
Chemistry	Further Mathematics	Physics
Classical Civilisation	Geography	Psychology
Criminology (new for 2019)*	History	Religious Studies
Drama & Theatre Studies	Information Technology*	Sociology
DT: Fashion & Textiles	Latin	Spanish
DT: Product Design	Law (new for 2019)	
English Language	Mathematics	

Where subjects attract too few applicants, or if particular subject combinations are not possible to timetable, we will contact individuals affected as soon as possible after the application deadline to discuss their options.

All students will follow our enrichment programme which is made up of mandatory and optional elements.

Mandatory Enrichment Activities	Optional Enrichment Activities
<ul style="list-style-type: none"> • Careers Education • Online courses (MOOCs) • Mindset Awareness • Personal Development Programme • Physical Education 	<ul style="list-style-type: none"> • Core Mathematics • Sixth Form Positions of Responsibility • Duke of Edinburgh Award • NCS • Work experience • Working with younger students • Sixth Form Committees • Charity Events • School & Staff Choir • Career Talks • Drama & Music productions • Sporting Opportunities • Art exhibition/shop/displays
